WHAT: Theatre camp is designed for young actors of all experience levels – it allows younger performers, or those new to theatre, an opportunity to participate in a musical production with older, or more experienced peers. All who register for camp are in the show, and no one must audition at the first read through, if anyone feels not yet ready to do so. All campers are provided with their own script, as well as a music cd, or an electronic file sent to their computer, in advance of the first meeting on July 30.

Please see below for the camp registration form. Camp often fills up quickly; a \$50 deposit will hold a place for your child or children, and the remainder of the payment may be made at the first meeting on July 30.
