

**POSTER
DISTRIBUTION LIST**

**THE COMMUNITY PLAYERS
OF CONCORD**

Thanks for volunteering to distribute The **Community Players of Concord** posters. As you will see, this list covers all of Concord businesses, schools, and other groups that are a result of previous volunteers like yourself. Volunteers, who have been willing to spend time getting to know our friends and seeking their help. Plus, for your convenience, the lists are in distribution order!

When you review the **CONNECTING TOWNS**, you will notice we have only a few places who are prepared to receive our poster. This is where you can make a big difference. Walk the streets. There are a couple of restaurants/coffee shops where you might be able to introduce yourself and hang a timely poster. Ask if you may put their business on our list. The last page is for you to jot down their information and when you have time, email the information to me.

Best of luck,

Sheryl Menard
