

Historian Report for Annual Meeting

On the one hand, it was a good year. Membership activity was fully entered into the Database. Over 38,000 lines of activity were entered by the end of fall. This was a full 2 years ahead of the original timeline. Now, the only upkeep is entering each show's program, which takes about 45 minutes.

This allows the Historian to provide as complete a history as possible. Does the President need the history for a member? No problem. Who was involved with the 5 productions of Winner Take All? No problem. Who has choreographed shows for us in the past? No problem.

Even better, after discussing things with the Web Master, Dave Peck heroically tackled the task of linking each program to the Past Productions page of the website. It has made the Historian's job even easier. Thank you, Dave.

On the other hand, it was a hard year for the Players. We lost 8 members...some from our past and quite a few from our present:

Norma Jean Morse Whitcomb (September 29), Jean Marie Lemaire Demers Peterson (November 11), Janet Hertzberg (November 13), Paul Brogan (November 13), Clara Lemm Brogan (November 26), Lacy Long (December 28), Steven Meier (February 18) and Merwyn Bagan (February 27) will all long be remembered with loving thanks for everything that they gave to the Players.

Respectfully submitted,

Kathryn Hodges, co-Historian
