The Community Players of Concord, NH is Concord's Community Theatre - performing since 1927 in historic Concord City Auditorium. Your Ad Sponsorship not only contributes to the operation of this all-volunteer organization—including our Children's Theatre Project shows and camps— but places your ad in the hands of Capital Area theatregoers who support local businesses that recognize the value of the arts made accessible to everyone! We encourage our audiences to use this program as a resource throughout the year and to patronize these quality local businesses and organizations!
